REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1 (renumbered as claims 1), the features of validating a binary-encoded file that comprises a presentation code and reduced of style information at a server before transmitting the validated binary-encoded file to a client so that the client translates said validated binary-encoded file without expending memory and computer resource for detecting and correcting errors, into a document tree having many nodes that represent said reduced of style information for modifying by a user at the client are not shown and would not have been obvious to a person of ordinary skill in the art at the time of the invention in view of the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thu V. Huynh whose telephone number is (571) 272-4126. The examiner can normally be reached on Monday to Friday.
